

Rock Bottom, Looking Up

Lyrics by Steven Tran (11/15/2017)

TLDR; we're all in this together.

Verse 1

I am praying to you God.
When will things be alright?
I am praying to you Lord.
Will the sun shine bright again?

My hands are in the air.
My soul filled with despair.
I feel so alone.
Is life worth living out there?

Searching for sunlight.
Hope life will be alright.

Chorus Variant 1

I'm at rock bottom, looking up!
My heart's at rock bottom, looking up!
My soul's at rock bottom, looking up!
Rock bottom, looking up!
Rock bottom, looking up!
I'm at rock bottom, looking up at the sky
With some tears in my eyes.
Trying hard to get by
And I laugh while I cry.
Trying my best to get up
With some hope in my heart.
Needing more than I need
Giving more when I can't.
Just enough to get by.
My life's at rock bottom, looking up!

Verse 2

I am praying to you God.
I wanna know how I'll be there for my friends.
I am praying to you Lord.
Let me know how I can reach out to them.

Our hands are in the air.
Our souls filled with despair.
The world seems so alone.
Let me know how I can be its friend.

Searching for sunlight.
Hope things will be alright.

Chorus Variant 2

We're at rock bottom, looking up!
Our heart's at rock bottom, looking up!
Our soul's at rock bottom, looking up!
Rock bottom, looking up!
Rock bottom, looking up!
We're at rock bottom, looking up at the sky
With some tears in our eyes .
Trying our best to get by
And we laugh while we cry.
Trying hard to get up
With some hope in our hearts.
Need more than we need
Giving more when we can't.
Just enough to get by.
We're at rock bottom, looking up!

Repeat until you feel hopeful

We're at rock bottom, looking up!
Our heart's at rock bottom, looking up!
Our soul's at rock bottom, looking up!
Rock bottom, looking up!
Rock bottom, looking up!
We're at rock bottom, looking up!
